Subject: M1A2 Production Follow-on ELRF Program
IDIQ Contract-Additional Ordering Period and Price Extension

Reference: DAAE20-00-D-0024

Dear Ms. Bindewald:

Litton Laser Systems, Inc., Laser Systems Division is pleased to affirmatively respond to your request to add an additional ordering period to Contract DAAE20-00-D-0024 (1 January 2002 to 30 April 2002) and thereby extend the validity of the option period pricing contained in Attachment 001 Memorandum of Agreement of the contract. This extension of pricing is applicable to "Z" Configuration Upgrade ELRFs only. Delivery dates for the quantity 100 Delivery Order will be provided under separate cover by close of business 22 April 2002.

Should you have any technical questions regarding the information provided herein please contact Mr. Drew Nelson at 407-297-4497. For all other questions, please contact James Fumer, Sr. Contract Administrator at 407-297-4761, FAX 407-297-4417, or Email jfumer@littonlaser.com.

Sincerely,

LITTON SYSTEMS, INC.,
Laser Systems Division

Reference: Litton Letter JAF-2002-040

Dear Ms. Bindewald:

Litton Laser Systems, Inc., Laser Systems Division is pleased to add "E" configuration upgrade ELRFs to our offer to extend the validity of the option period of the contract. This amended offer is contingent upon negotiating an equitable adjustment for the delta cost associated with the production of the "E" configuration units with our REA proposal for Delivery Order Number 0005.

Should you have any technical questions regarding the information provided herein please contact Mr. Drew Nelson at 407-297-4497. For all other questions, please contact James Furner, Sr. Contract Administrator at 407-297-4761, FAX 407-297-4417, or Email jfurner@littonlaser.com.

Sincerely,
